Editor: Dennis Woodward 85 Stubbington Lane Stubbington Fareham PO14 2PG (01329-667263)

AUGUST NEWS - Editor

As reported last month, there will not be a normal newsletter in August. However, as there are several relays and other events in September which need publicising, I am issuing this single information sheet in mid-August.

The September newsletter will be published as usual on Wednesday, 4th September 1996. Please send contributions to me as soon as possible but not later than Friday, 30th August 1996. Thank you.

REMINDER - Pat Woodward

Over 200 members have rejoined SGR since we issued renewal forms at the AGM but that still leave well over 100 people who we are going to have to send final reminders to next month.

PLEASE HELP by replying - preferably with your form and cheque or just your cheque if you have lost your rejoining form (£10 - family; £7 individual; £3.50 for Green Shoots who are not included in a family membership) or your resignation.

TEST WAY RELAY - Lesley Blake

31st August 1996

Ladies, there is still time for you to offer your running services and support our efforts in trying to raise two teams for this event. We need eight members per team with each leg ranging from 8 km (5½ mls) to 11 km (6½ mls). All the course is off-road and passes through wonderful countryside. Please contact either Lesley Blake or Pam Lucas.

We are also looking for men! However, not any man will do - we need the special variety who wouldn't mind giving up a Saturday afternoon to run as a chaperone with some of our ladies. Again, please speak to either Lesley or Pam.

TEST WAY RELAY (31ST AUGUST) - Chris Hall

We urgently need two more runners for legs 7 & 8 of this relay. Please give me a call for maps and further details, if you are interested. (01705-355498)

SOUTH COAST MARATHON - Derek Balsdon

One committee member is needed for help with the organisation of next year's marathon. Volunteers please ring me on 01329-841300.

SOUTH DOWNS RELAY RESULTS - Chris Hall

I have full results from the South Downs Relay. Please let me know if you would like a copy.

LONGLEAT RELAYS - Chris Hall

Unfortunately, the Great South Run clashes with the Longleat Relays this year (October 6th). However, we can still send teams if anyone is interested.

CLUB HANDICAP - Chris Hall

This will take a new format this year. Will everyone please arrive at Locks Heath Sports & Social Club by 6.30 pm on Thursday, 12th September. The course is 4.7 mls long and you will be able to start at any time but your target will be to arrive back at the car park at 8 pm. The winner will be the one nearest to that time.

NO WATCHES WILL BE WORN

There will be an American Supper in the Club afterwards so please bring some food.

Green Shoots will go ahead as usual - thanks to Andy!
