## Let's Target our Races

Our recent successes in the Braishfield 10K Beer Run show that we now have the talent to win team prizes in almost any category, writes men's skipper Denis Woodward.

Provided we 'target' the same race we can continue with our winning ways. It has been suggested that we aim for more team successes in the Sherborne Half Marathon set for 25th September with a 10.30 start scheduled. Teams of six have to be nominated before the race with four runners to count. Denis hopes we can send five teams with the senior men providing two outfits and the senior females, veteran females and male over 40s all one each.

Denis quips "You'll only miss the Sultan 10 that day and everyone's done that!". Let's give it our best efforts at the Sherborne '2.

Names to Denis Woodward (men) and Fiona Cooper. (Ladies) with your £2 remittance by Monday 12 September. Please do not submit individual entries.

• Another such event could be the Dawlish 1/2 scheduled for 14 August -Ed

## ALL CHANGE!

TREASURER .....	Julie Hobbs
ASST. SEC. ....	Toni Fullick
MEN'S CAPT. ....	Denis Woodward

The club now has a social committee rather than two hard worked social secretaries and this reflects the intention to retain the fun aspect, such a feature of SGR to date. A full social report will be appearing regularly in 'Green Runner' with a packed diary of forthcoming events

### THROUGH THE CHAIR

As the new Chairperson of the Stubbington Green Runners I would like to welcome all readers of this newsletter as we start our fourth year.

We hold our committee meetings on the first Tuesday of every month at the homes of committee members. However, we would like you all to feel free to attend especially if you have a particular matter you would like to bring to our attention.

## HACKED OFF!

Well, What do you think of the new look "Green Runner?" Your constructive comments really would be appreciated as we seek to provide the balance required by the club's members.

Hopefully, the new presentation will discourage individuals from producing their own ad hoc editions in favour of submitting newsworthy copy to a central point.

Please give your articles, comments, jokes and poems to Phil Rogers (G. 528284). Deadline for publication is the 10th of each month.

So come on, use your rest day to pen something for "Green Runner"

- Should the tortoise go?
- Do you enjoy the new Thursday night speed training?
- Should SGR support the Southern Counties proposition?
- Will the coach turn up for the New Forest '10'?

VOLUNTEERS REQUIRED FOR RACE COMMITTEE  
PLEASE.

This is your running club and we want you all to help in the "running" of it. Please also try to come along to Farcham Leisure Centre on the second Tuesday of each month. The business side of the meeting will start prompt at 8.30 and will usually take about 30 minutes. The rest of the time is for chatting, meeting friends, imbibing and the collecting of entry forms.
